

**VI RESEARCH FORUM ON CHALLENGES
IN MANAGEMENT ACCOUNTING AND CONTROL**

April 29 and 30, 2019

Dear colleagues,

We are happy to announce the “VI Research Forum on Challenges in Management Accounting and Control” that will take place on April 29 and 30, 2019 at Pablo de Olavide University. This forum is organized by the research group “Management control systems in horizontal structures”, with the collaboration of Financial Economics and Accounting department of Pablo Olavide University.

This Research Forum aims to promote the interaction and discussion of papers between national and international researchers in management accounting and control field. Likewise, it aims to be a meeting point in which young PhD and PhD students can interact and present their studies and projects. The Research Forum will combine sessions in which researchers will present their papers with sessions of conferences of prestigious researchers.

In this sixth edition, our guest speakers are Professor Marcel Van Rinsum (Erasmus University of Rotterdam) and Professor Paolo Perego (Free University of Bolzano-Bozen). Their knowledge and research experience in management accounting and control will help to improve the papers.
